**HARRY ZINSSER**

LATIN CLUB

The Latin Club was organized to give students a chance to make Latin more interesting. The programs consist of talks by outside speakers and of Latin games. The club has just completed a very successful term under its sponsor, Miss E. Smith. The officers are Robert Campe, President; Edward Parrack, Vice President; Helen Welfer, Secretary and William Goodman, Treasurer.

TECH CLUB

The Tech Club was organized in 1912 by Mr. Dunning, who is still its sponsor. The meetings are given over to the discussion of scientific problems, especially those pertaining to Physics. Frequently motion pictures or discussions by Mr. Dunning are on the program. Meetings are held every first and third Thursday of the month in the Physics Lecture Room. The officers are: Robert Agard, President; Ralph Davis, Vice President; Jack Smith, Treasurer and Marion Dickinson, Secretary.

BUILDERS CLUB

The Builders Club was organized in September, 1925 with Mr. Hoyt and Mr. Morris as sponsors. The purpose of the club is to give its members the opportunity to listen to architects and engineers who are invited to address its meetings, to encourage the boys to speak on technical subjects, and to foster a spirit of sociability. To qualify for membership one must have passed Drawing II.

The officers this semester are: President, William Hoffman and Secretary, Ralston McLaughlin.

THE STAGE CREW

The Stage Crew was organized in the second semester of 1927 by Mr. Hayward. The object of the organization is to do all the stage setting and lighting connected with plays and programs presented in the auditorium.

Applicants for membership should have some experience with the saw, hammer, and common wood-working tools. Above all else the stage crew calls for clever, industrious boys who are willing to give their time and effort when called.

Membership is determined on a basis of selection and recommendation by the sponsors of Dramatic clubs and shop teachers, and upon invitation by the sponsor; the number is limited to 12.

The present members are: Robert Pollock, Harry Davidson, Sherrard Van Trump, Robert Metcalfe, Robert Morrison, Jerome Kaufman, William Park and Charles Harvey.

BETA HONOR FRATERNITY

TRAVEL CLUB

The Travel Club was organized on March 18, 1926, with Miss Franklin as sponsor. The purpose of the club is to stimulate interest in travel and to promote the selections of such subjects as History, Literature, and Art, which furnish a background for future travel.

The officers are: President, John Reilly; Vice President, Harry Azen; Secretary, Victor Garvey; Reporter, Kenneth Bitzer; Chairman of the Program Committee, Jerome Blatt.

THE MATH. CLUB

The Math. Club, organized by Miss McMullen, is now under the sponsorship of Mr. De Haven. The club was organized to create a greater interest in Mathematics. Such subjects as "The Relation of Math. to Our Everyday Life" are discussed. For recreation the club indulges in puzzles which usually cause some thinking.

The officers for this semester are William Unverzagt, President; Leroy Gordon, Vice President; Betty Henry, Secretary. Meetings are held every fourth week.

SPANISH CLUB

The Spanish Club was organized to help members to become more familiar with the Spanish language and customs. The club is composed of members of the Spanish III and IV classes and those of the Spanish II classes who have been recommended by the sponsors.

The biggest thing the club has undertaken this year was the play "Chispita".

The sponsors are Miss Morgan and Miss Redmond. The officers are as follows: President, Robert Armstrong and Secretary, Blanche Powell.

ROUND TABLE CLUB

The Round Table is one of our newer organizations, this being its second semester. It is a Sophomore activity with membership limited to thirty. As the name implies, all types of topics are taken up for consideration and discussion. Each semester there is one debate, and also one Curio Day when the members bring objects of unusual interest and explain about them. The great variety of subject matter makes the programs both interesting and informational.

Officers for this semester are: President, Robert Darrah; Vice President, George McCaa; Secretary-Treasurer, Fred Longphre; Reporter, Jack Fellabom.

THE PEABODY AERO CLUB

In October 1927, the Aero Club of Peabody was organized with Dr. Gill as sponsor and with James C. Bradley, Jr. as president. During the year that followed, which was very successful, several aviators spoke including Jack Morris, who gave the club rides in his Eaglerock at the end of June. During this semester, Harold (Mike) Evans was president. He is now the youngest licensed pilot in or around Pittsburgh.

This year the club was reorganized with Robt. Nisbet as president, Wm. Scully as vice president, and Edward Carpenter as secretary-treasurer. In the coming year the club will visit the Standard Steel Propellor Company and plans to have much more ambitious programs.

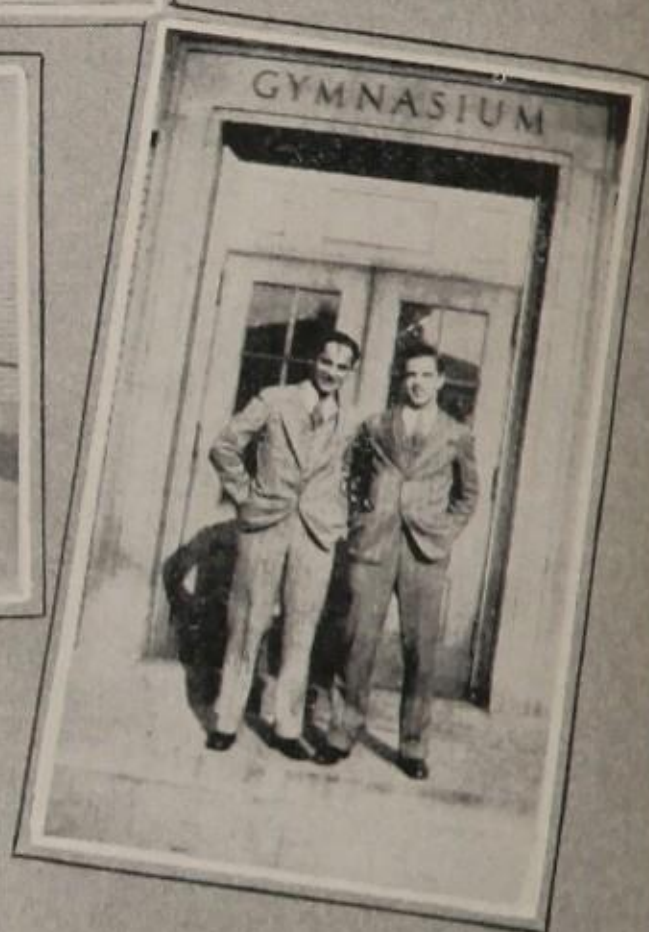

THE DOUGLAS CLUB

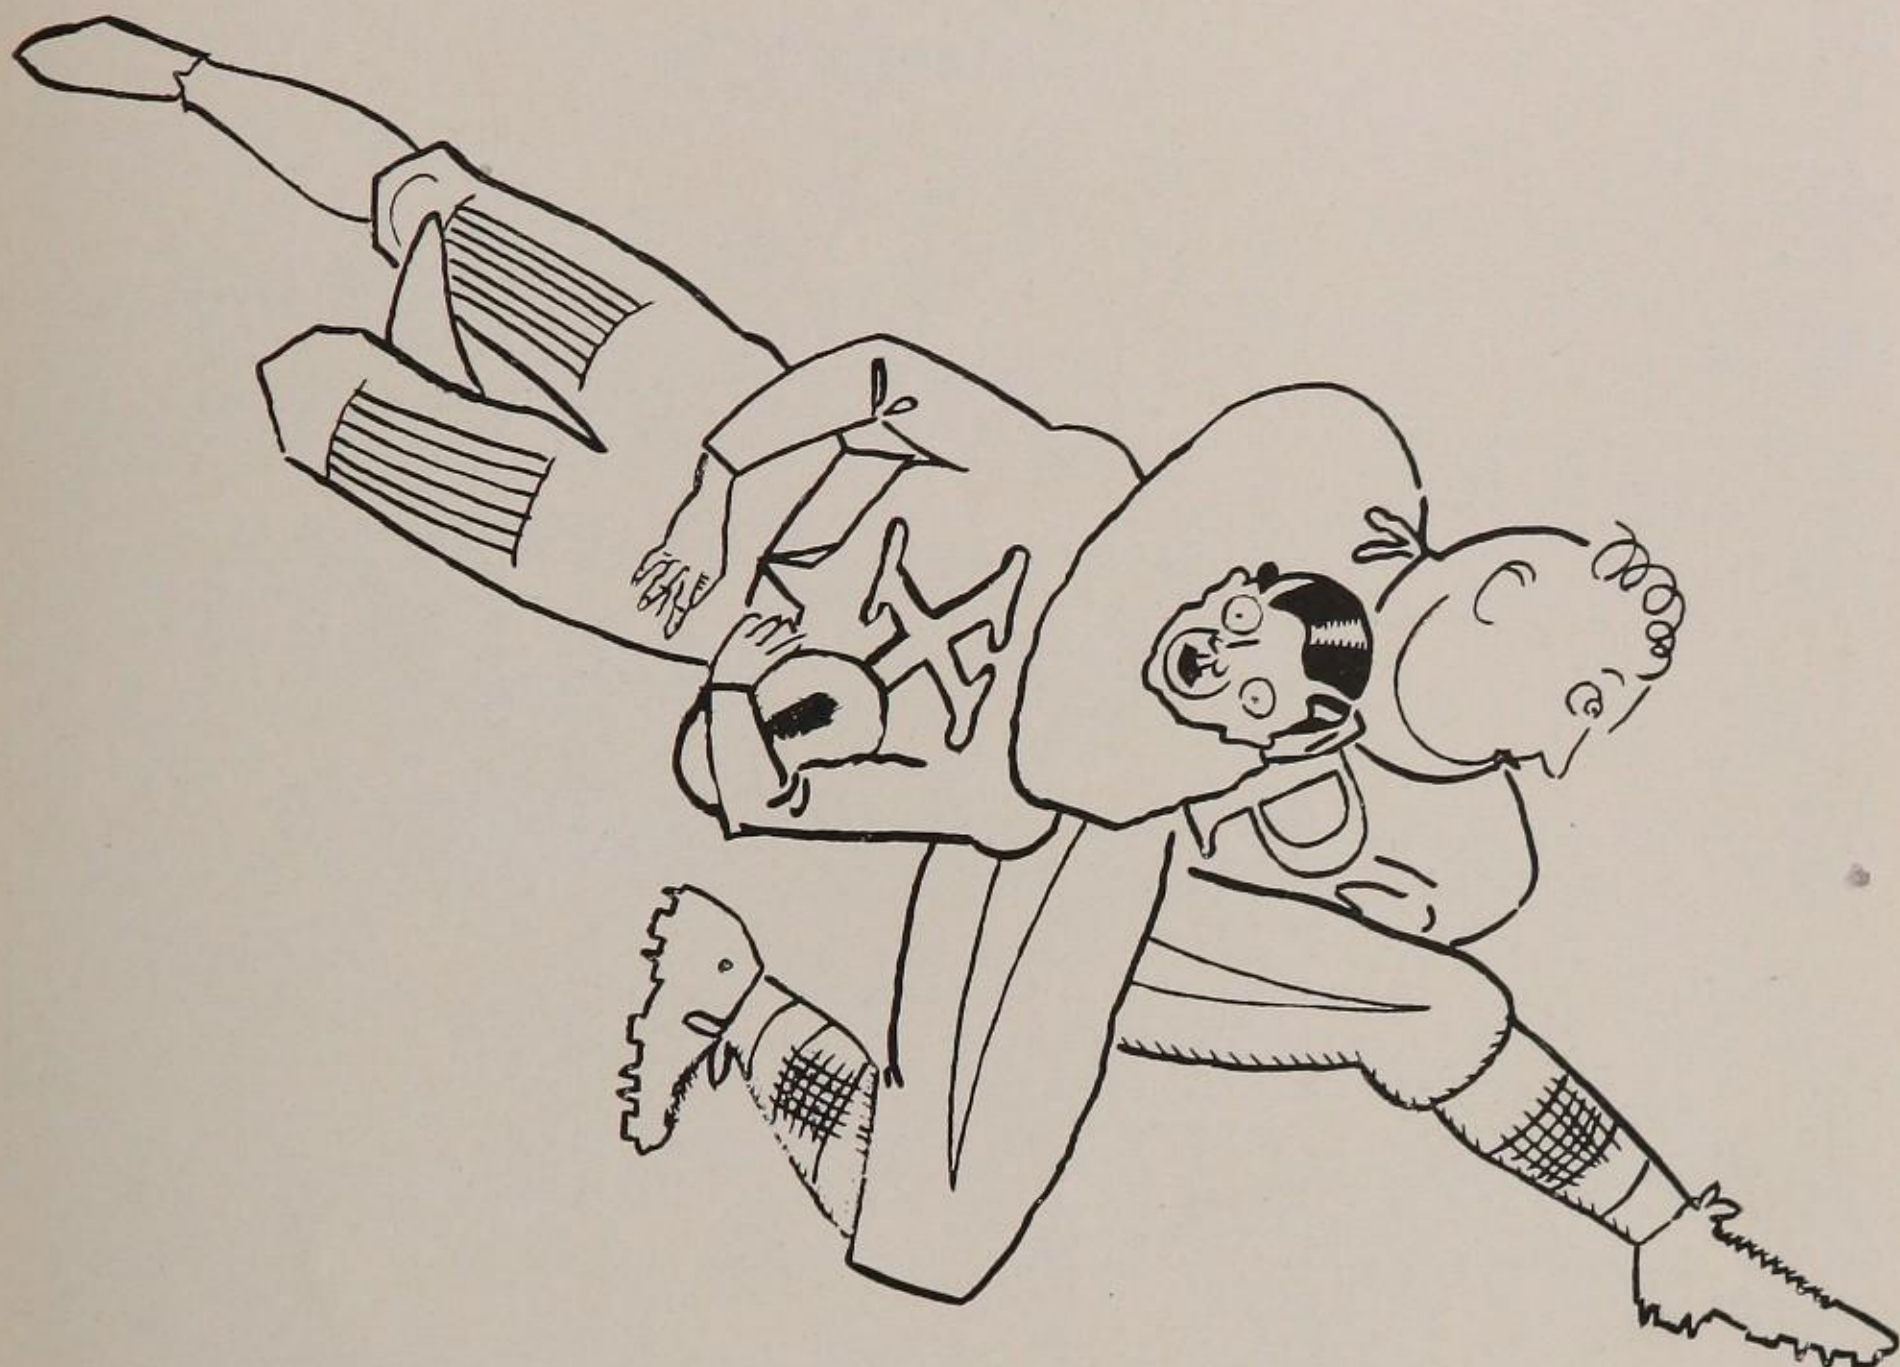

The Douglas Literary Club was organized in 1926 largely through the efforts of Mrs. Margaret Ford Yeats, a former student and graduate of Peabody. The object of the club is the study of the achievements of the negro in music, art, literature, and other lines of endeavor. It aims to stimulate a spirit of self-determination in each member of the Negro race.

In addition to the regular literary programs the club holds many social gatherings and gives entertainments in various churches. The Negro national anthem is sung at every meeting. No educational qualification is placed on membership. Any Negro pupil who will take part in the exercises and pay his dues of 25 cents a semester is invited to join.

The President of the club is Aubrey Williams and the Secretary is Inez Jackson. The club sponsor is Mr. Rodgers.

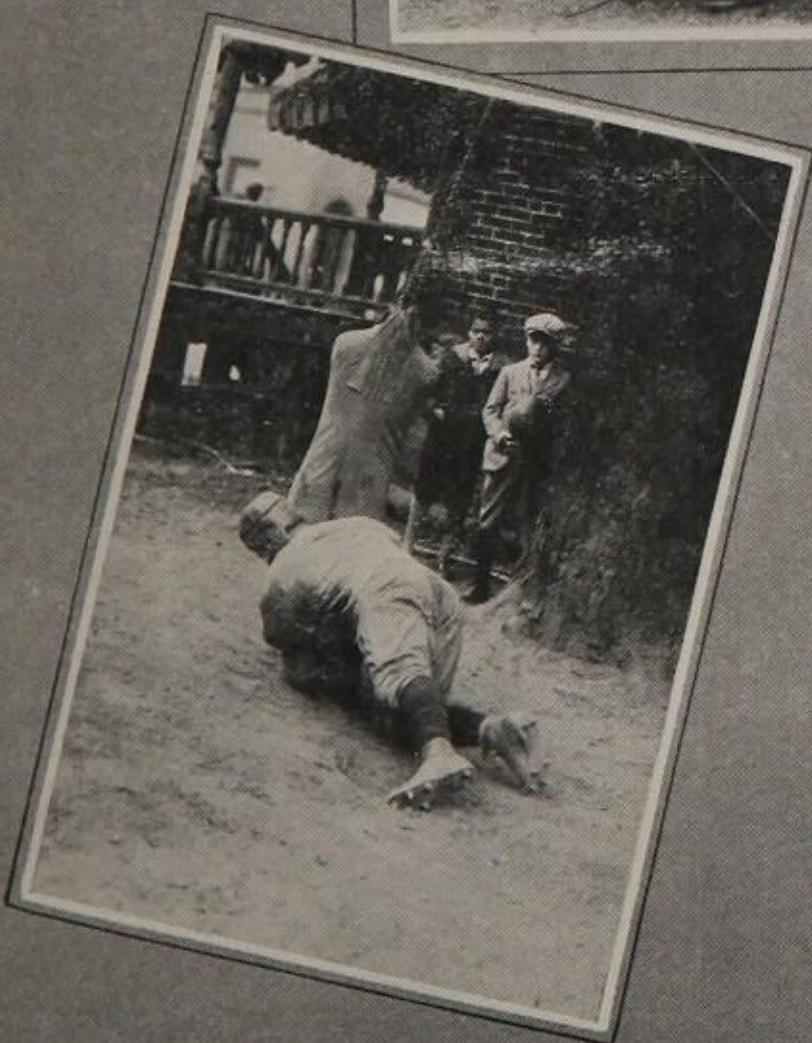

athletics

VARSITY BASKETBALL SQUAD, 1929

GIRLS JUNIOR BASKETBALL TEAM

BRADDOCK

Playing her first game on her own field Peabody started the season of 1928 by defeating the strong Scott High team of North Braddock by the score of 6-0. Both teams used straight football throughout the entire game and neither teams showed any scoring threat till late in the fourth quarter when Williams, Peabody's star halfback broke loose on a long end run which ended behind the visitors goal. The try for the extra point was blocked and the game ended a few plays later.

CARRICK

The following Friday the Red and Gray warriors journeyed to Carrick and in a sea of mud turned in their second victory, winning by the score of 12-6. The team was badly handicapped by the muddy condition of the field, and had the field been harder the final score would undoubtedly have been higher.

SOUTH

Continuing her string of victories Peabody playing her second home game defeated the team from South High by the score of 22-6. The Game was very uninteresting from the spectators standpoint as both teams played a rather mediocre brand of football; and the great superiority of the Red and Gray team helped to detract from the game and make it quite uninteresting.

JEANNETTE

Peabody met her first defeat of the season the next week when they were beaten by a strong Jeannette team by the score of 26-0. The team put up a much better game than the score indicates for during the second half they played the Jeannette team to a standstill. The whole team played a fine game and despite the score deserve to be congratulated for their great playing.

MANSFIELD

Peabody was again defeated in the next game by Mansfield High at Mansfield, Ohio. Peabody was leading at the end of the half 14-13, but was beaten in the fourth period through a series of long runs by Robertson the half back of the Ohio team. In this game also the team played a far better game than the final score 35-14 indicates.

SCHENLEY

Smarting under the sting of the last two defeats Peabody came back strong to defeat the strong Schenley Team 13-7 in the best game of the season. The first half ended with neither of the teams having made any real scoring threats;

but at the beginning of the second half a sustained drive on the part of the Bellefielders sent them into the lead 7-0. Just when defeat seemed imminent the Red and Gray team came back strong when Noonan received a pass from Davidson and carried the ball to the one yard line, from which point Davidson carried it over. Davidson's try for the point was good and the score was deadlocked 7-7. During the last few minutes of the game Schenley opened up with a series of forward passes one of which was intercepted by Noonan and converted into a touchdown. The try for the point was blocked and the game ended with the score 13-7 in favor of Peabody.

WESTINGHOUSE

On November 8 Westinghouse's Warriors put an end to Peabody's title hopes by defeating the Red and Gray team 31-0. The Silver Lakers held the upperhand from the opening kick off and Peabody's only scoring threat ended on the two yard line where the ball was lost on downs. The Peabody team displayed a poor brand of football and did not look like the same team that had beaten Schenley the preceding week.

FIFTH

Peabody closed the season with another win on her own field when she defeated Fifth 32-0. The team had no trouble winning this game and this afforded the substitutes a chance to show their goods.

FRESHMAN BASKETBALL, 1928-29

TRACK

Last season Peabody had the best track team they have had for a number of years. The team retained the city championship and added six new trophies to the school's collection in addition to winning dual meets from Westinghouse and Shadyside.

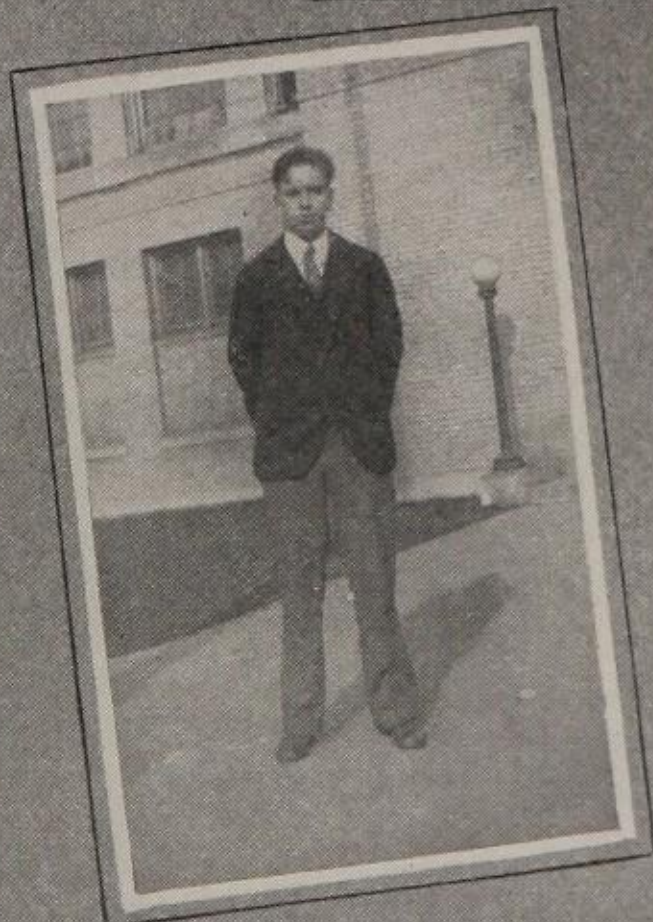

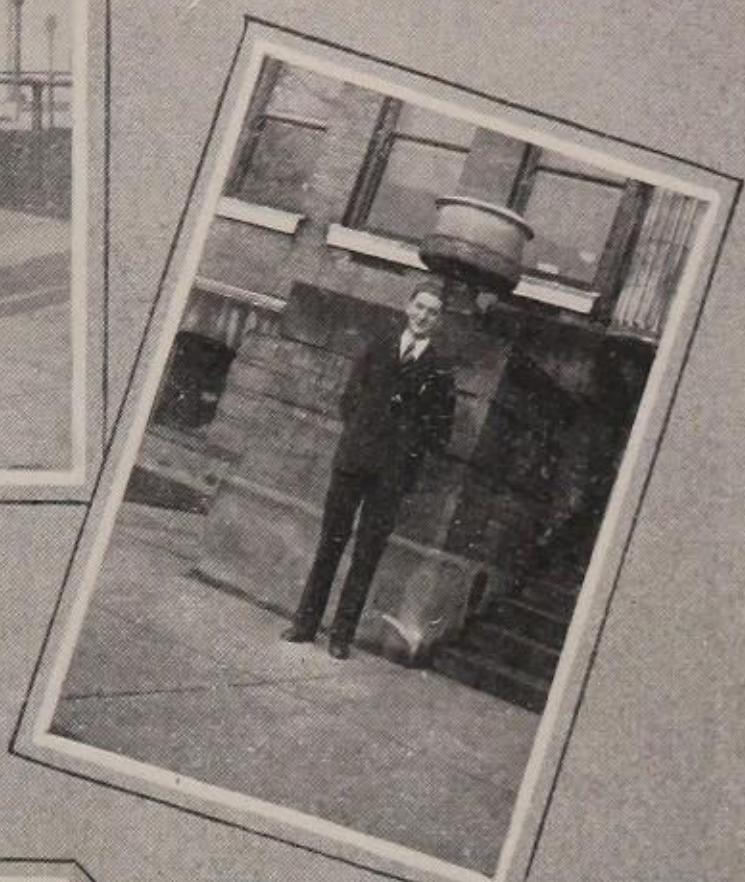

The Peabody-Shadyside dual meet was very close, not being decided until the last event showed Peabody the victor 51-48. The team was not as successful in their meet with Schenley losing by the close score of 53-51. In the other dual meet Peabody downed Westinghouse 51-43 in the Senior events and also won the novice events 35-31.

The season opened when the relay teams went to Columbus to compete in the Ohio University Relay Carnival. The varsity half mile relay team had the second fastest qualifying time for the final event but failed to place due to bad judgment on the part of one of the members of the team. The varsity mile relay team was completely outclassed in their event and it remained for the freshman team to bring home the bacon. They did this by winning the half mile relay for junior high schools in record breaking time.

The next week Peabody set out for the Penn Relays but they were snowed in, in the mountains. This misfortune kept them from competing; and it is almost certain that, if they had been able to compete, they would, at least, have placed, for the team that won their event made slower time than the Peabody team was credited with throughout the season.

TRACK TEAM, 1928

Competing for the first time as a class A team Peabody placed first in the mile relay for class A high schools at the Carnegie Tech Interscholastics. The team's time was 3:43, which was good considering the soggy condition of the track.

The following Saturday Peabody defended their W.P.I.A.L. mile relay title and set a new record of 3:37. The team as a whole placed fourth in the meet just 1-6 of a point behind third place. This remarkable showing upset the dope, as it had been predicted that no city school would finish in the running.

The following Saturday Peabody nosed out the strong Steubenville high school team at the Shadyside Relays and won the class A title. In the other events Peabody placed second in the City schools one mile relay event in which the second team ran. The half mile relay team placed third in their event while the freshman half mile team finished second in their event. In the open events Peabody men took half the places.

Then came the greatest victory of the season, the championship of the state of Pennsylvania. The team composed of Parsons, Coulter, Glassburn, and Williams were the first state champions that Peabody has ever had. They won their event in 3:35 2-5. At this same meet Williams won the state title at 220 yards tying the present record of 22 2-5.

The team closed the season by winning the city title for the second successive season. The point score of the leading teams was Peabody 54 1-2, Schenley 43 and Westinghouse 38.

GYMNASTICS TEAM

GIRLS SWIMMING TEAM
CHAMPIONS

GIRLS ATHLETICS

The first semester of the 1928-29 season, has been, as a whole, a very successful one for the Peabody girls of the athletic department. Unusual spirit was shown by the girls, not only in the number of tryouts for the various teams, but also in the backing which was given to these teams after they had been chosen. This fine spirit together with the quality of the work produced, aided in bringing Peabody to the foreground of athletics.

TENNIS

We might say that this semester's tennis tournament was begun by last year's classes, as the preliminary games were played off last spring. From these, Dorothy Davidson and Jean Hamilton were chosen to represent the upper classes of Peabody, whereas Martha Purnell and Frances Hall were the winners from the Freshman Class. Dorothy and Jean deserve special mention as this was their second consecutive season to represent Peabody in the city tournament. Last year Dorothy captured first place and Jean, second; and they almost repeated their success this year until they met defeat at the hands of a Taylor Allderdice girl. Miss Joyce was in charge of Tennis for this semester.

SWIMMING

Under the splendid coaching of Miss Joyce and the equally excellent management of Dorothy Davidson, the Girls' Varsity swimming team fought its way through a most successful season and finished by winning the city championship. The team has not been defeated in dual meets for three years and has placed in every championship meet for the last four years.

Dolly Engroff, captain for a second time, continued her usual fine work in freestyle and diving, capturing first place in the latter event. Other girls who won places in the city championship meet were: Elsa McCullough, who broke a record in the plunge; Shirly Johns, fourth in plunge; Helen Whetstone, first in backstroke and second in diving; and Betty Hill, second in backstroke. In dual meets the fine work of Naomi Good in freestyle, Dolly Fritz and Sara Houston in breaststroke, and Kay Port, who was a valuable member of the relay team, all helped Peabody to come out on top.

Prospects for next year's team seem good, as many of this year's Freshman team show signs of developing into fine swimmers. Martha Purnell and Mary Virginia Brown deserve special note, as they participated in the city meet as a result of their fine work in dual meets; Mary Virginia captured second place in backstroke in this meet. Miss Zitzman coached the Freshmen throughout the season and she was very enthusiastic over their fine spirit and willingness to cooperate.

BASKETBALL

The 1928 class basketball season for girls was a triumphant success. This is the first year in which the system of having no girls' varsity team has gone into effect. Many were rather dubious as to the result of the plan; however, the gym teachers were strong advocates of the system and believe that this season has been a great success. Certainly it has afforded an opportunity for playing experience to a large number of girls who otherwise would not have had this chance. It has excited friendly rivalry among the classes and has aroused enthusiasm and good spirit. Furthermore, it has given those girls who had already won a varsity letter, an opportunity to learn the "ins and outs" of refereeing, and thus gain valuable experience.

The captains elected at the beginning of the season were: Martha Purnell, Freshman; Helen Parker, Sophomore; Mary Alice Martin, Junior, and Sally Stevenson, Senior. Each class played two games with each of the other classes. As a result of these games, the Seniors won five and lost one, the Juniors won five and lost one, the Sophomores won none and lost six, and the Freshmen won two and lost four. A championship game was played on December 11th between the Juniors and Seniors, but all their struggling was in vain for when the final whistle blew, the score was tie! In order to determine the true champion it was necessary to play another game on December 13th, which proved that "13" is the Senior's unlucky number for the determined Juniors humbled their "seniors" by the score of 17-11.

Much of the success of the class teams was due to the enthusiasm of the two coaches, Miss McMillan and Miss Broderick, who coached the upper and lower classes respectively.

A young man arrived home from his university after having received the degree of M. A.

"I suppose Robert will be looking for a B. S. next," said a friend of the family to the father.

"No," was the reply, "he will be looking for a J. O. B."

Dibbs: Have you seen one of those instruments which can tell when a man is lying?

Higgs: See one! I married one!

What makes you think Bob won't be out of the hospital for a long time? Did you see his doctor?

No, I saw his nurse.

The prodigal returned very late.

"Where have you been?" asked his indignant wife.

After a moment's reflection, he ventured, "The cemetery."

"Good gracious," remarked his spouse, "who's dead?"

"The whole bally lot of 'em," replied her husband cheerfully.

State Attorney: Do you think we can convict him for that bank robbery?

Assistant: No, but I think we can get him for speeding past that stop signal after the robbery.

Mike: "I went into a book store the other day and it's one of the saddest places I ever was in."

Ike: "Why, how come the saddest. Because of the 'panes' in the windows?"

Mike: "No, on account of the books 'being in tiers'."

Dupe: "Once I was real sick—not expected to live—I had three doctors and two nurses but they gave me up."

Stupe: "And just why did they do that?"

Dupe: "Because I wouldn't pay my bills."

Mr. Ma.: This intelligence test will be conducted on the honor system. Please take seats three apart in alternate rows."

PENN AND SHADY, PITTSBURGH

Mother: "Yes, our Lindsay is studying French and Algebra. Lindsay, say 'good morning' to the lady in Algebra."

Mrs. Ye. (watching Vesuvius eruption): Goodness! That reminds me of Hades.

English tourist (looking at her in amazement): You Americans travel everywhere, don't you?

Bob Scott: I just bumped my crazy bone.

Jack McParland: Just comb your hair right and it won't show.

Revelry is the thing old folks think gets the soldiers up in the morning.

Jane: Why are those surgeons hanging around the football field?

Bob: They're waiting for skull practice.

She: Define an onion sandwich.

He: Easy enough. Two pieces of bread traveling in bad company.

Housewife: "You look ragged, my poor man. Would you like some mending done?"

Tramp: "Yes, sew a shirt on this button."

Student (To Mr. Loh—): "Where can I find a good joke?"

Mr. Loh— (looking around the class): "I see a whole lot of jokes."

Jib: Just had a fight with my wife.

Jab: Liquor?

Jib: No. She won as usual.

"You are not ill, your pulse is as regular as a clock."

"I am not surprised, you are holding my wrist-watch."

Say, don't you ever have any home work to do?

Sure, I'm on my way to her home to do it now.

"I adore you kid."

"You talking to me or your glove?"

He: "Darling, I made up my mind to stay at home."

She: "Too late, dearest, I've made up my face to go out."

Dottie: "Well, what do you think I was called last night?"

Jane: "I don't know, what?"

Dottie: "They called me a fence because I ran around so much."

Teacher: Can anyone tell me the earliest reference in history to a theatre?

Student: Yes sir, I remember reading in the Bible that Joseph was taken from the family circle and put into the pit.

Feminine Ages

Six years—"Nice mans."

Nine years—"Carry my books."

Sixteen years—"I'll ask Mother."

Twenty years—"Drive faster."

Twenty-five years—"Do call me up."

Forty years—"Nice mans."

Mr. — (Explaining form of sentence): "This is the worst combination in the world. What is it?"

Bright Stude: "Masculine with feminine."

He: "I can't decide whether to go to the University of Moscow or to Dartmouth."

She: "What's the difference? If you go to Moscow, they hang a 'ski' on your name, and if you go to Dartmouth, they hang a pair on your feet."

She: "I wish to divorce my husband."

Attorney: "Yes madam—cruelty, I suppose?"

She: "Certainly. Do I look like a woman who would baby a man?"

(Man just finishing a big meal in a restaurant): Sir, I am sorry, but I can not pay for this meal. You know you cannot draw blood from a turnip.

Waiter (rolling up his sleeves): Yes, but you're no turnip.

Teacher: "This is the third time you've looked at George's paper."

Student: "Yes ma'am, he doesn't write very plainly."

Teacher: "Write a composition on our football game."

Jimmie (After 15 minutes of thinking): "No game—rain."

We're glad vacation's over
And school we're glad to face—
I know that I'm a liar,
But I've got to fill up space.

Prof.: "Who on earth is making that gurgling noise?"

Fresh.: "I am. I'm trying to swallow the line you're throwing."

"Why don't you laugh at the teacher's joke?"

"I don't have to; I'm getting kicked out next week."

Young Sheik (to girl friend): If you contradict me once more, I'll kiss you.

Girl Friend: Oh no you won't.

He: Why didn't you answer my letter?

She: I didn't get it.

He: You didn't get it?

She: No, I didn't get it, and besides I didn't like some of the things you said about me.

"That makes a difference," said Willie, as he snipped off the ear of one twin.

"What does the buffalo on a nickel stand for?"

"I'll bite."

"He hasn't got room to sit down."

Judge: What's your name?

Prisoner: Smith.

Judge: Occupation?

Prisoner: Lock-smith.

Judge: Lock Smith up.

Highbrow Senior: Hey, why aren't you at the compulsory Freshman meeting?

Extremely Fresh Freshie: The bulletin doesn't say you have to be there.

Who invented swimming?

A Scotchman when he came to a toll bridge.

Did you hear the one about the Scotchman who heard there was to be a free picnic for the orphans, and went home and killed his mother and father?

(Heard in front of a candy store at Easter time): "If you kids don't quit eating those eggs, you'll get 'eggs'-zema!"

A: Do you know why the Scotch are erecting hotels this year without fire escapes?

B: No. Why?

A: This is leap year.

Me: Say B—, what about that dime? When I let you have it you promised you wouldn't keep it long.

B: Well, I didn't. It was gone inside of half an hour.

Amos: "What does a guy have to be, to have an army burial?"

Andy: "He's gotta be some kind o' a captain."

Amos: "Then I lose ma bet, cause I done said he has to be dead."

Amos: "My sistah done got married today."

Andy: "Wh'd she marry?"

Amos: "Oh, she married a lord."

Andy: "Lord? An English Lord?"

Amos: "No, no—not just exactly—not an English lord, just a landlord."

"Eny chentlemans wot goes behind my back and talks in da front of my face is a schwindler."

"For why dey take da roof upstairs down?"

*Y*OU can spend all the money you earn—and get nowhere.
Or, you can save a small part of it and gradually attain financial independence.

It may encourage you to know that many of our most successful depositors built up their accounts by regular or systematic saving rather than by saving large amounts.

The PURPOSE CLUB is a great help. Ask about it.

The Modern Printing Office

PRINTING has made wonderful strides in the past twenty years. In fact the past decade has witnessed more improvements than were accomplished in the preceding century. Automatic machinery in both the press and composing rooms have practically revolutionized the printing business.

We have succeeded in keeping abreast of the times and call attention to our equipment, which includes the following:

Mergenthaler Linotypes
Monotype Border and rule caster
Ludlow Typographs
Miller Saw Trimmers
Kelly High-Speed Presses
Miller Automatic Presses

In addition we have two large cylinder presses for newspaper and book work, also hand-feed jobbers and three folders—Cleveland, Baum and Mentges, the speediest and best made.

With the above equipment we can assure our customers service, quality and price and we will be pleased to have anyone interested call and inspect our plant.
